Hotel Reservation and Visa Services:

Visitors from many countries require a visa in order to enter Iran. The SAPTOOL Visa Service sends personal invitations to exhibitors and trade visitors from countries with a visa requirement. You can use this invitation to apply at the relevant embassy or consulate general for a visa for your stay in Iran during SAPTOOL. This invitation can make the application process easier, but it cannot guarantee that you will be given a visa. The final decision for rejection or issue of a visa is taken by the relevant embassy.

We try to do everything to make your stay at SAPTOOL/Tehran as pleasant as possible. Use our experience and save your money while doing the hotel booking.

Enclosed you can find our offer. Please in case you are interested in our offer, don't hesitate to contact us.

WITHDRAWAL FROM THE APPLICATION

After final confirmation of the booth by SAPTOOL and payment by Exhibitor, neither cancellation nor a reduction in the rental space area is possible. With the confirmation a withdrawal or a reduction of the stand space is no longer possible.
